

## Thorough Janitorial Services for Businesses in Troy, MI

### We Help Companies of All Sizes Gain Spotless Cleaning

You work hard all day to bring your customers the goods or services you offer - let us ease your worries about cleaning. American Quality Cleaning onsite janitors, quality assurance staff, and organizational team members all take pride in providing our clients with the top-quality customer experience they deserve. When your Troy location partners with us, your office cleaning problems become a thing of the past.

We take out all the hassle by coming to your office, clinic, lab, or work area ready to provide janitorial services that leave your site spotless. A clean workplace announces a professional atmosphere both to employees and clients or visitors - an announcement we are proud to help our clients offer. Give us a call today at [\(248\) 961-4412](tel:2489614412) to find out how you can benefit from a business cleaning service that always has your best interests in mind.

### Troy, MI - Upscale, Big-City Offerings in a Midsize City

Troy brings together a **unique blend of upscale offerings, business opportunities, and city services**. With more than 80,000 diverse residents, [Troy](#) is Oakland County's largest city. Businesses of all sizes and offerings make a home in Troy - from small, local shops to large-scale, international companies, you will find assorted options here. The nation continues to take note of Troy's safety, education, places to raise a family, and more in national evaluations such as [Niche Rankings](#) and 24/7 Wall Street.

Locals and visitors find everything they could need or want at shopping centers in Troy. The luxury offerings at [Somerset Collection](#) mall from over 170 shops set within a beautiful, award-winning layout spanning North and South locations connected by a climate-controlled sky bridge. Or, the two-story indoor super regional [Oakland Mall](#) offers over 100 stores of affordable goods.

Troy is a city grounded in the present but also proud of its rich history. Take an immersive trip back to the 1800s and early 1900s to see, experience, and learn from Michigan's rural heritage at the [Troy Historic Village](#). Hear stories of a rustic life while you stand in an authentic log cabin, brick one-room school, wagon shop, and blacksmith's forge.

Education in Troy extends far beyond history with its diverse institutions of higher learning. People expand their opportunities at such varied places as [Walsh College](#), [the Motion Picture Institute](#), the [Michigan College of Beauty](#), [Michigan State University's Eli Broad College of Business](#), and [Chamberlain University College of Nursing](#).

The staff of American Quality Cleaning live and work throughout Oakland County. As a close neighbor, we can quickly come to your place of business in Troy and provide our expert janitorial services.

### Top-Quality Janitorial Services Developed Over 15 years of Industry Experience

Home to businesses of all sizes, Troy has many offerings for its residents, the surrounding area, and its international partners. Over the last 15 years of being in business, American Quality Cleaning has provided janitorial services to local and fortune 500 companies in Troy and its surrounding neighbors. Not only do we serve companies of varying sizes, but we also offer cleaning services for many different industries with unique facilities.

#### Some of the facilities we serve:

- 📍 Clinics & Medical Facilities
- 📍 Industrial Complexes
- 📍 Municipal
- 📍 Office Buildings
- 📍 Senior Living
- 📍 Health Club
- 📍 Laboratories
- 📍 New Construction Cleanup
- 📍 Religious Venues
- 📍 And More!

At each service site, we provide the most thorough janitorial services to ensure your business gets a boost from its daily cleaning. Visitors and employees alike attach importance to how you treat your workplace as it reflects on them. The more presentable your company's workplace is, the higher the morale among the workers and the more welcome visitors will feel. We make sure all flooring holds up to inspection no matter the surface; we handle carpet and upholstery as well as tile and grout cleaning.

### Choose the Professional Cleaning Team that Elevates Service Delivery

No matter the size or industry, we provide each client with our expert cleaning **complete with regular quality control oversight leaving no area untouched**. Our professionally trained cleaners are held to our high standards that we find important to enforce so we can pass quality work along to you. Additionally, on-site quality assurance experts assess work to provide a second set of eyes on all areas.
